The drinks that accompany your Sunday brunching are the most significant part of the deal for the simple reason that they may break or make your meal.

And then, two things happened, which had the effect of breaking the сосkness of the first weekend brunches. The first was that the hotels caught on to this glorified version of serving up yet another buffet spread without having to bother with the personal touch. This was one of the favorite parts of your experience, the interaction and the personal touch. So, they completely accepted to eat out in this manner, something that the Europeans also don’t quite get—something on which they are planning to pay no taxes for themselves instead of being gath-
